

Join Hands to Protect Kings Hill

4,500 houses planned for Kings Hill! Twice the size of Finham

Sunday 16th July 2017 starting at 1pm for 1hour

We are starting at the Finham Primary School and holding hands to spread down the length of GREEN LANE until we reach KINGS HILL LANE

- the extent of Phase 1 of the housing proposal

EVERYONE can join in young and old - if standing is difficult bring a chair

We need EVERYONE in Finham to join us because we will ALL be affected. This is for our children's future – once the Greenbelt has gone it is gone forever.

1 hour of your time on July 16th versus years of chaos

This is your LAST CHANCE to show Coventry City Council, Warwick District Council, the Developers and the Media that the Finham Community is

standing together to say **NO** to building on Kings Hill
