Vegetation clearance near Stoneleigh Park

July 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by a joint venture between Laing O'Rourke and Murphy & Sons known as LM.

Clearance may require temporary traffic lights

From mid-August through to September, we will be setting up temporary traffic management at various times to assist with safe vegetation removal along the Warwick Bypass (A46), near Stoneleigh Park, and on the B4115.

This may include temporary lane closures and/or traffic signals in the areas marked on the map on the next page. Our works have been designed to minimise disruption and maximise safety. Traffic signals could be in operation Monday to Friday, from 9am to 3pm and/or 10pm to 6am. Some weekend work may also be required, with temporary traffic management in operation from 6am to 6pm.

Traffic lights will be lifted from the road when we're not at work.

Our teams may be on site up to one hour before and one hour after the working hours to set up and secure sites each day.

Why we're clearing in this area

Vegetation clearance on the A46 and B4115 will help us create an access point for a future compound in this area. The compound will support the safe construction of HS2 and realignment of the A46, needed to build the new railway.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of work

From the week commencing 5 August to late September 2019.

Our working hours will be Monday to Friday between 8am and 5pm and/or between 10pm and 6am. Some Saturday and Sunday working may also be required.

What to expect

There will be temporary traffic management in the area as required to ensure safety.

There will be some low-level noise created by the works.

What we will do

Keep all sites safe and secure.

Ensure all traffic management and diversions are clearly signed and marked.

Maintain access to properties.

Vegetation clearance near Stoneleigh Park

Notification

Location of traffic management

We may set up temporary lane closures, traffic signals and signs on the following roads:

- The Warwick Bypass (A46)
- The B4115.

Community funding opportunities

July 2019 www.hs2.org.uk

Notification

HS2 offers two funds that are available to local communities and businesses in the West Midlands, to help leave a lasting positive legacy in areas near the new railway.

These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF). A combined total of £40 million has been made available for both the CEF and BLEF for Phase One of the construction of HS2. The Funds will provide support for good quality bids, and funding will be available throughout this time period.

CEF and BLEF have supported 62 projects since March 2017, from small scale grassroots projects to large scale capital projects which benefit a wide range of communities.

Community and Environment Fund

The CEF is designed to give communities the opportunity to share in the benefits of HS2. Community groups can apply for a CEF grant to support projects that aim to improve their local area.

Business and Local Economy Fund

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local authorities; groups that support local businesses; business chambers; and similar organisations to help them maintain business activity in local communities.

Recent grants in your area

- Kenilworth Town Council received £74,000 of BLEF funding for their 'Kenilworth is Open for Business' project to promote the local area and support local businesses during HS2 construction.
- Empowr-U, a Community Interest Company based in Coventry, received £75,000 from CEF to deliver the 'Own-It' project with children and young people aged 7–21 years living in Tile Hill, Canley, Kenilworth and Burton Green over the next two years.
- Long Itchington Parish Council received £74,500 to improve facilities at Long Itchington Park, including refurbishing play areas, toilets and a meeting place for parents and carers.

Administration of these funds is managed independently on behalf of HS2 by the charity Groundwork.

For more information about each of these funds, including advice on making an application, visit www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
